

SCDHS Construction Standards and Alternate Leaching Systems

November 8, 2018 from 8 am - 12 pm

**4 Continuing Education Credits towards your liquid waste
license renewal will be provided.**

Location: Suffolk County Department of Health Services
First Floor Auditorium
360 Yaphank Ave
Yaphank, NY 11980

Description

In December 2017, The Suffolk County Department of Health Services issued revised residential and commercial construction standards for Onsite Wastewater Treatment Systems. This four hour class will review these new construction standards and provide an overview of leaching structures that are now allowed as an alternative to Leaching Pools. Continuing Education credits towards your liquid waste license renewal will be provided.

- Please see reverse side for registration form –
