

## SeptiTech STAAR Training

Please join us on Tuesday, October 16, 2018 from 9:00 AM to 1:00 PM in the Suffolk County Auditorium at 360 Yaphank Avenue - Yaphank for a free training course and credit hours on the **SeptiTech STAAR I/A OWTS**.

The **SeptiTech STAAR I/A OWTS** received Provisional Approval on September 13th from Suffolk County DHS! There are over 3,000 **SeptiTech STAAR** systems installed in the USA.

The training course presentation will include system design, installation, treatment process, treatment performance and maintenance. The **STAAR System** is both NSF 40/245 and EPA-ETV certified. **STAAR** has Residential & Commercial Models available in both Infiltrator and Concrete Tanks.

SeptiTech Treatment Processor

Please RSVP to SeptiTechLI @gmail.com. Please call Bob Eichinger at # 631-284-9893 with any questions. Coffee and Bagels will be provided.
